Hey don't you wanna  
Run and call her name  
If I buy her candy  
Will she know who I am

She's a famous  
She's the best  
I cannot lay  
My heart to rest

She is selfish  
She is kind  
No one can say  
She is mine

Like water like spring  
Fickle fancy fickle girl  
Come down from the sky  
When I need you the most

She's a famous  
She's the best  
Cannot lay  
My heart to rest

She is selfish  
She is kind  
No one can say  
She is mine
