If your tired of lying, there's something you should try  
You said hallelujah baby  
Hallelujah Child

Who is more deserving than me  
Why live with less when i can get all the tgings that i  
want to  
That i want to

Everything in the world  
Everything in the world  
Everything in the world (baby)  
Everything in the world

If your tired of watching, the good life pass you by  
You say you owe it, You slote it, and everybody know is  
Now make them pay untill their dry

Who are better suited than we  
Dressed for success to get all the things that we want  
to  
at any price, that we want to

Everything in the world  
Everything in the world  
Everything in the world (baby)  
Everything in the world

Deny Me, Defy me , i am so desperate  
Reach for it, come to it.  
The thrill of ownership

So tierd of the whining, so say a little lullabye  
Youve got the the money, the honey, a feeling in you  
tummy  
Why dont u just lay down and die

Who is better suited than me  
I feel like a wreck but ive got all the tings that iw ant to  
At any price that i want to

Everything in the world  
Everything in the world  
Everything in the world (baby)  
Everything in the world
