"Modern Girl"

My baby loves me, I'm so happy
Happy makes me a modern girl
Took my money and bought a TV
TV brings me closer to the world

My whole life looked like a picture of a sunny day
My whole life was like a picture of a sunny day

My baby loves me, I'm so hungry
Hunger makes me a modern girl
Took my money and bought a donut
The hole's the size of this entire world

My whole life looks like a picture of a sunny day
My whole life looked like a picture of a sunny day

My baby loves me, I'm so angry
Anger makes me a modern girl
Took my money, I couldn't buy nothin'
I'm sick of this brave new world

My whole life looks like a picture of a sunny day
My whole life looked like a picture of a sunny day

My whole life looks like a picture of a sunny day
My whole life looks like a picture of a sunny day
