If you're tired of the big so so, oh oh oh  
Get yourself into some self control, oh oh oh  
Play the game by putting on the brakes, oh oh oh  
Slow down and make less mistakes, oh oh oh

Nobody lingers like your hands on my heart and  
Nobody figures like you figured me out and  
I would be lying if I didn't say to you  
No one comes closer, don't worry you got it

The way I feel when you call my name, oh oh oh  
Makes me go crazy to sane, oh oh oh  
The way I feel when you're close to me, oh oh oh  
Finally not drifting out to sea, oh oh oh

Nobody lingers like your hands on my heart and  
Nobody figures like you figured me out and  
I would be lying if I didn't say to you  
No one comes closer, don't worry you got it

Come on now I wish you would, oh oh oh  
I'm the one who makes you feel good, oh oh oh  
Never mind those things they say, oh oh oh  
They don't know it but I'm here to stay, oh oh oh

Nobody lingers like your hands on my heart and  
Nobody figures like you figured me out and  
I would be lying if I didn't say to you  
No one comes closer, don't worry you got it
