"Sold Out"

Visit "[Sold Out](#)" on MotoLyrics.com

Sold out, do, do you wanna it
On a magazine cover?
Take it, it's my body
Take it, I want money

Diamonds are a girl's best friend
Diamonds are a girl's best friend

Wanna be a star
Watch me go nowhere
Sucking on his dick
Fuck it, I want money

Diamonds are a girl's best friend
Diamonds are a girl's best friend

I see the way you look at girls
You think that I don't know it
I know what you want from me
I know what you want from me

Sold out, do, do you wanna it
On a magazine cover?
Take it, it's my body
Ooh ooh, I don't wanna
