I can't find you
Stay where you are
I'm in the dark
Stay where you are

I'm alright
I feel fine
You're my life
I'm alright

She's dead if you want and that's me if you want
Stuffed in the corner, "Little girl lost"
I claw and I scratch and I beg and I scream
I just need you to save me one last time

It's me if you want but it's not what I want
I want to burn up the place, set it on fire
She's back because she wants to not be contained
I can't tell the truth I can't speak this way

You can't find me
You're in the dark
I'm right here
Stay where you are

I'm alright
I feel fine
You're my life
I'm alright

She's dead if you want and that's me if you want
Stuffed in the corner, "Little girl lost"
I claw and I scratch and I beg and I scream
I just need you to save me one last time

It's me if you want but it's not what I want
I want to burn up the place, set it on fire
She's back because she wants to not be contained
I can't tell the truth, I can't speak this way

She's dead if you want and that's me if you want
Stuffed in the corner, "Little girl lost"

I claw and I scratch and I beg and I scream
I just need you to save me one last time

It's me if you want but it's not what I want
I want to burn up the place, set it on fire
She's back because she wants to not be contained
I can't tell the truth, I can't speak this way
