Oh, oh I wait
(I'm a time bomb)
For something more today
(I'm a fuse)
You know this place, it stinks
(Tongue is tired)
I, I smell like despair
(From over use)

All the bridges gonna burn gonna fall down
(Burn it down)
Is it all on you
(It's so hot, it's so hot, hot)

The clock, I'm punching in
(I'm a monster)
Work 'til I can't give
(I'm a machine)
Now there's no time left
(And where I'm headed)
No time left for anything
(It's so obscene)

All the drama that you crave that you really want, oh
yeah
(Is it all on you)
That you crave, that you want, that you want, want
(Out, kick it out, kick it in, out, kick it in)
In, kick it in, in

All the bridges gonna fall gonna burn down
Burn it down
It's so hot, it's so hot, hot
All the drama that you crave that you really want, oh
yeah
(Is it all on you)
That you crave, that you want, that you want, want

Oh I wait
(I've got drama)
For something more today
(On the brain)
