Words and guitar

I got it

Words and guitar

I like it

Way, way too loud

I got it

Words and guitar

Ohh ohh yea ohh

(Can't take this away from me)

Ohh aaa yea ohh

(Music is the air I breathe)

Ohh aaa yea

(Can't take this away from me)

Words and guitar

Take take

The noise in my head

Take take

The noise in my head

Come on and

Turn, turn it up

I wanna

Turn, turn you on

Ohh ohh yea

(Take a space for runnin' in)

Ohh ohh yea

(That is if you never think)

Ohh ohh yea

(Take a space for runnin' in)

Words and guitar

I dream of quiet songs

I hear the silky sounds

Hush, hush and rock, huh

Oh, give me pretty song

Oh, let me have that sound tonight

Words and guitar

I got it

Words and guitar

I want it  
Way, way too loud  
I want it  
Words and guitar

I got it, yea  
(Tell me what you wanna be)  
I got it, yea  
(Tell me what you wanna be)  
I got it, yea  
(Tell me what you wanna be)

Words and guitar  
Take take  
The noise in my head  
([Incomprehensible] let you down)  
Take take  
The Noise in my head  
(If you think you can't then you won't)  
Come on and  
Turn, turn it up  
([Incomprehensible] never know)  
I wanna  
Turn, turn you on  
(It's a feelin' that is on)

I wanna  
([Incomprehensible])  
I wanna  
([Incomprehensible])  
I wanna  
([Incomprehensible])  
Words and guitar

I dream of quiet songs  
I hear the silky sounds  
Hush, hush and rock  
Oh, give me pretty song  
Oh, let me have that sound tonight

Words and guitar  
I want it  
Words and guitar  
I got it  
Way, way too loud  
I want it  
Words and guitar

I got it, yea  
(Tell me what you wanna be)  
I got it, yea

(I will think you never think)  
I got it, yea  
(Tell me what you wanna be)  
Words and guitar
