[Verse 1: Guerilla Black]

I'm from a place called Compton, California
Most of my dogs smoke marijuana
Most on the run from them folks
Whenever they come
They throw that dope
Some swallow it and put in they butt
Not me I stash mine up in the tuck
Mom say son don't be no fool
I'm trying to buy a Bentley, a house on the pool
I just want a piece of the American dream
But Uncle Sam he don't want to share wit me
So when they called up my amigos
He told me bring'em a 10 and kilo

Girl don't be mad if you lost ya man
It's another dude that'll take his place
Love ur bullet wound and the scar on ya face
And I'ma keep it real
That's the way that is iz
As long as I'm around
