>Carl<

I always dreamed that everything would be okay with
me and you
But I ways wrong
When I looked into your eyes I didn't see all the things I
used to see
What's going on?

(-1)(Faith)

You gave me reason to believe that we were always
meant to be but now I see
You were wrong
You can't keep running back to me with all those "Baby,
baby pleases"
No more, no more

(Chorus)

Never imaged you would be a faded picture I'm
emotional >I'm emotional<
Guess I'll be leaving, your deceiving, it's official I'm
emotional >so emotional<

(Faith)

I can't forget that night I saw you in the corner wrapped
up tight
You were wrong
Slow dancing on the floor while I was watching from the
door
So hurt, there you were

(Repeat 1)

(Repeat chorus)

(Bridge) (Faith) >Carl<

You had your chance (had your chance)
But you threw it all away (yes you did)
Thought you had my love always (no)
(>Oh baby
