My head's in a jam
Can't take you off my mind
From the time we met
I've been beset by thoughts of you
And the more that I ignore this feeling
The more I find myself believing
That I just have to see you again
CHORUS:
I can't let you pass me by
I just can't let you go
But I know that I am much too shy to let you know
Afraid that I might say the wrong words and displease
you
Afraid for love to fade before it can come true

Like a child again
I'm at a loss for words
How does one define a crush combined with longing
Longing to possess you oh so dearly
I'm obsessed with you completely
I'll go mad if I can't have you

CHORUS:
I can't let you pass me by
I just can't let you go
But I know that I am much too shy to let you know
Afraid that I might say the wrong words and displease
you
Afraid for love to fade before it can come true

I can't let you pass me by
I just can't let you go
Let me say the things and say the words to let you
know
I would rather say the awkward words than lose you
Or for love to fade before it can come true
Afraid for love to fade before it can come true

My head's in a jam
Can't take you off my mind...
