I try to lose my self today  
and if this pain will go away  
A thousand days I'd try to waste  
i feel your side but your'e still ok.

Refrain

I feel you, You dont' feel me  
I see you, You dont' see me

Duck!, Duck! as we stand back to back  
seeing disappear and my eyes fades to Black  
I wanna let it out when im Back on the track  
Causing you to move and bringing you heart attack  
And I feel the pain like a Needle in my Vain now  
Hurt myself cause i think I didn't know how  
Cut myself and Watch me bleed, I turn out as  
I watch bleed!

Dont' take away your eyes  
Coz i know youre beside me and  
I just can hold and say  
I wish i'm Numb inside  
Coz i dont' want this feeling,  
feeling that i can't hide

I try to crawl inside of you  
And hope this day will go away  
I turn away to watch you drown  
I'm still right here  
try to here a sound

(repeat refrain)
