Hot town, summer in the city  
Back of my neck gettin' dirt and gritty  
Been down, isn't it a pity?  
Doesn't seem to be a shadow in the city  
All around people looking half-dead  
Walking on the sidewalk, hotter than a matchhead

(Refrain:)

But at night it's a different world  
Go out and find a girl  
Come on, come on and dance all night  
Despite the heat it'll be alright  
And babe, don't you know it's a pity  
The days can't be like the nights  
In the summer in the city  
In the summer in the city

Cool town, evenin' in the city  
Dressed so fine and lookin' so pretty  
Cool cat lookin' for a kitty  
Gonna look in ev'ry corner of the city  
'Till I'm weezin' at the bus stop  
Runnin' up the stairs gonna meet ya on the roof-top

(Refrain x2)
