I never thought this could happen
I never thought I could feel this way
Til' this strange reaction, today
Gimme a new sensation
In a place that has no name
Something tells me I'll never be the same
Now it's all changed

I'm Falling, Falling
Falling Falling
I'm Falling, Falling
Falling, Falling

What have you done to me
I'm falling endlessly
I began to say
I didn't know what was coming next
Even so, I was not prepared for this
Not prepared for this

I used to think nothing mattered
Now I see possibilities
You showed a new direction to me
And it's all changed

I'm Falling, Falling
Falling Falling
I'm Falling, Falling
Falling, Falling

I began to say
I didn't know what was coming next
Even so, I was not prepared for this
Not prepared for this

I'm Falling, Falling
I'm Falling, Falling
I'm Falling, Falling
Falling, Falling

Falling (x6)
