Without a warning or reason why
He walked away with no goodbye.
He was your everything
It's what you thought.
To joy your heart out and ripped it up

Bitter memories without a cure
How did you pull yourself off from the floor?
Lost the battle but not the war
Look at you now!
Look at you?

Refrain:

From the Pieces of shattered world
You made a creature to a pearl
Now you shine, you're beautiful
You're unbreakable.

And nobody can hurt you now
No, Nobody can bring you down
'Cause you're strong, you're beautiful,
You're unbreakable.

Now in the mirror who do you see?
You're not the one you used to be, so naive
The storm is over there once upon
You turn to page now you're moving on

Bitter Memories they have no end
When you decided not to look back
You lost the battle but that was then,
So look at you now!
Look at you?

Refrain:

From the Pieces of shattered world
You made a creature to a pearl
Now you shine, you're beautiful
You're unbreakable.

And nobody can hurt you now
No, Nobody can bring you down
?Cause your strong, you?re beautiful,
You?re unbreakable.

That?s what you are
Invincible, inside your heart
You lost the battle, but heal the scores
Now you?re unbreakable

Refrain:

From the Pieces of shattered world
You made a creatine to a pearl
Now you shine, you?re beautiful
You?re unbreakable.

And nobody can hurt you now
No, Nobody can bring you down
?Cause your strong, you?re beautiful,
You?re unbreakable.
