Oh, my life is filled with white-hot anxiety,  
Though I think I wear it very well,  
I still worry bout' what people might think of me  
if they ever saw me past my outer shell.  
Believe me, I know how to worry.  
I've chewed my fingernails to the bone.  
Oh, I've got my share of problems  
Still it is well with my soul  
Sometimes I wrestle with my conscience  
Still it is well with my soul  
Lord, I think about all that you've  
done for me.  
Lord, I think about it all the time.  
But sometimes a ghost from the past starts  
really haunting me,  
stickin' those awful feelings in my mind.  
I won't let it get to me, no.  
I ain't walkin' down that old, dark road.  
Oh, I've got my share of problems  
Still it is well with my soul  
Don't always know just how to solve them  
Still it is well with my soul  
Since I've been given true forgiveness  
And it is well with my soul  
I'll be about my father's business  
And it is well with my soul  
In my soul  
I can see clearly  
In my soul  
Through the darkness surrounding me  
Once you've tasted and seen  
Then you'll know what I mean  
There ain't nothin' gonna keep me down,  
so...get up...  
Oh, I've got my share of problems  
Still it is well with my soul  
Don't always know just how to solve them  
Still it is well with my soul  
Sometimes I wrestle with my conscience  
Still it is well with my soul  
Still I know that I've got true forgiveness

And it is well with my soul
