when I'm out, when I'm out, when I'm out, when I'm out,  
when I'm out of love.  
chicofriend, chicofriend, chicofriend  
will be around.  
he will ease, he will ease, he will ease, he will ease  
he will ease my mind.  
fill my heart, fill my heart, fill my heart, fill my heart  
fill my heart with blood.  
he will carry, carry, carry, carry me.  
he will carry, carry, carry, carry me  
he was a fortune teller, he was a fortune teller.  
so when I'm out, when I'm out, when I'm out, when i'm  
out  
when I'm out of love.  
chicofriend, chicofriend, chicofriend, chicofriend  
will be around.  
he will carry, carry, carry, carry me.  
he will carry, carry, carry, carry me.  
cause he was a fortune teller, he was a fortune teller.  
cause he was a fortune teller, he was a fortune teller,  
teller, teller  
he was a fortune teller, he was a fortune teller, teller,  
teller, teller, teller
