This one's for you  
This one's for you  
and if you turn around or shake your arms  
I'd love you

Can't be denied  
I had you in mind  
Though I know you'll be the last to know  
The last to know

This one's for you  
This one's for you  
and if you turn around or shake your arms  
I'd love you

Here comes the dark  
Here comes the dark  
Here comes the dark  
Well I know the dark  
I know the dark  
I know the dark...

He knows she knows  
She knows he knows the dark
