You're close to me, close as the end
I love the past, I must not forget it
I do remember "Dialogue", "Sunrise"
And searching for Liebenfels

Bloodyoungblood

You're far from me, (why are you) so far from me
I call up the past and I regret it
Outside I stand looking in
And revel in the chill of nihil

Bloodyoungblood

Not dead in beds of white
Not dead a body wired
Not dead
He is not dead

He is not dead in beds of white
He is not dead a body wired
He did not die he did not die
He did not die

May the past arise
And change the future
