Whooh
The Mad Musician
Ow, Listen...

Verse1
Oh oh oh
Get ready for the show
The night is young
The mood is right
No holds barred at the door
For you, not For You
I wanna go go go for more

We got that good stuff so we can party
We runnin' from the paparazzi
Let's go go go and head out to the floor
Forget about your worries let the music take control

Chorus
Ladies and gentlemen 1, 2, 3
Get up do ya hear me?
Tecktonik (On the Floor)
Flow
Tecktonik Flow
Flow

Verse2
Oh oh oh we're dancing on the floor
And if you didn't notice ya
Tonight I'm going home with you (yea with you)
I wanna come with you

We got that good stuff so we can party
We runnin' from the paparazzi
Let's go go go and head out to the floor
Forget about your worries let the music take control

Get up do ya hear me?
