I can't seem to change you or open up your eyes
So go on and sing your sad, sad song.
I don't even blame you, the routine is nice.
Nine to five in a suit and tie.
Fear of failure in comfort zones kill.

Brace yourself and give into the moment.
You've got nothing to lose.
So what is your excuse?
Save yourself, you're dying in slow motion.
You've got nothing to lose.
So what's your excuse?

Life can't seem to teach you the safe card is right.
So stray from the fight.
Don't you realize
The daydreamer's nightmare is to never even try.
Your time has slipped by.
Fear of failure in a comfort zones kill.

Brace yourself and give into the moment.
You've got nothing to lose.
So what is your excuse?
Save yourself, you're dying in slow motion.
You got nothing to lose.
So what's your excuse?

Take a step back and find a way out of here.
Can't you see the answer is loud and clear.

Brace yourself and give into the moment.
You've got nothing to lose.
So what is your excuse?
Save yourself, you're dying in slow motion.
You got nothing to lose.
So what's your excuse?

Find a way out of here...
