Wait the fact you did it.  
And don't admit it.  
Won't make you innocent.  
Fate finds you wicked.  
And turns you victim for everything you have done.  
So justify the reason to kill.  
(Reason to kill)  
I bet you will.  
Fooling no one but yourself.  
(But yourself)  
I wish you well.

Oh what tangled webs we weave.  
When we practice to deceive.  
I know you well.  
I know you well.

Actions and motives.  
Bare the cross, wear the crown,  
There's just some evil  
You can't bleed out  
Hell has to notice  
Our actions and motives.  
Your actions and motives.  
Bare the cross, wear the crown,  
There's just some evil  
You can't bleed out

I just don't get it.  
How you manage to justify who dies.  
Like judge and jury.

Your the very  
One who crucifies.  
Don't get your hands dirty to kill.  
Use someone else.  
Know all your lies are measured in hell.  
I wish you well.

Oh what tangled webs we weave.  
When we practice to deceive.  
I know you well.

I know you well.

Actions and motives.

Bare the cross, wear the crown, it's just some evil you  
can't bleed out.

Our actions and motives.

Your actions and motives.

Bare the cross, wear the crown, it's just some evil you  
can't bleed out.

Can't bleed out!

Actions and motives.

Bare the cross, wear the crown, it's just some evil you  
can't bleed out.

Our actions and motives.

Your actions and motives.

Bare the cross, wear the crown, it's just some evil you  
can't bleed out.
