Casted out I'm watching your eyes  
Casting out in my visions of nine  
Blacking out  
Casted out I'm watching your eyes bleed dry

Touched with frustrated lips  
Love is like starting over  
With every step  
Engraving the problems of memories

Casted out I'm watching your eyes  
Casting out in my visions of nine  
Blacking out  
Casted out I'm watching your eyes bleed dry

Drunks on failures regrets  
Letters of silence confess  
Burdens within, speaking as loneliness listens  
While hopelessly feeling

Casted out I'm watching your eyes  
Casting out in my visions of nine  
Blacking out  
Casted out I'm watching your eyes bleed dry

There's a definite pattern  
To our behavior  
Somehow the end  
Draws us closer

Casting out in my visions of nine  
Casted out let Tin die with time  
Blacking out  
Casted out I'm watching your eyes bleed dry

Blacking out  
Casted out
