Blessed are he who are speaks the word Grateful that we can lead the herd Dollars signs in the faithful eyes The anti fate on day disguise You're just a faker No miracle maker Holy behavior Wont make you our savior

If we want a martyr
We'll come and find you
Come and find you
Done before you started
You're dead in the water
Walk on father out to sea
You're done before you started
You're dead in the water

Blessed are he who sees the word Holiness are well rehearsed Dollars in the faithful eyes Anti fates on day disguised You're just a faker No miracle maker Holy behavior Wont make you our savior

If we want a martyr
We'll come and find you
Come and find you
Done before you started
You're dead in the water
Walk on father out to sea
You're done before you started
You're dead in the water

The water The water The water

Money made messiahs You're televised to tell yours lies Modern of a martyr You're dead in the water

If we want a martyr
We'll come and find you
Come and find you
Done before you started
You're dead in the water
Walk on father out to sea
You're done before you started
You're dead in the water
