Sex always sells.
Death is a thrill.
Imitate my lack of patience.
How much we pay to be Taylor made.
Fashions fade the trends will change.

Now what is your drug of choice.
Pick your poison and enjoy.
Now what is your drug of choice.
Pick your poison and enjoy.

Disasterpation the thrill of a nation.
Temptation is for sale.
Disasterpation the death of a nation.
Money collect yourself.

Reality scripted TV.
Chasseing fifteen minutes of fame.
Fight over fuel.
Violence in school.
The youth our eye's confused as I am.

Now what is your drug of choice.
Pick your poison and enjoy.
Now what is your drug of choice.

Pick your poison and enjoy.

Disasterpation the thrill of a nation.
Temptation is for sale.
Disasterpation the death of a nation.
Money collect yourself.

We're so.
Weak for.
Blaming persuasion.
Now the.
Lifes based.
On imitation.
On imitation.
On imitation.

So what is your drug of choice.
Pick your poison and enjoy.

Disasterpation the thrill of a nation.
Temptation is for sale.
Disasterpation the death of a nation.
Money collect yourself.
Disasterpation the thrill of the nation.
Temptation is for sale.
Disasterpation the death of the nation.
Money collect yourself.
