Keep changing your mind like clouds in the sky  
Love me when you're high, leave me when you cry  
I know it all takes time  
Like a river running dry when the sun's too bright

So long, this is goodbye  
May we meet again in another life  
Like strangers passing by  
May we see clearly in a different life

Keep dodging lights like a thief in the night  
The sun will rise and expose all our lies  
So why deny that you and I lead different lives?  
The rivers from your eyes can't change my mind

So long, this is goodbye  
May we meet again in another life  
Like strangers passing by  
May we see clearly in a different life

Oh no, no, oh, oh, oh, oh  
The rivers from your eyes can't change my mind

So long, this is goodbye  
May we meet again in another life  
Like strangers passing by  
May we see clearly in a different life
