Cherish

Two circular views of blue with a gray shade

So captivating

More than you know

False preceptions

That brought forth these questions of

Truth, love and hope

Now that you're injuring

I carry you with me just

Please hold on

Disappear and dissolve

A weakening wall

Will one day fall

It's wise to sever our loss

I redefine pulse

Through your iris

Love's not all lost

But it's nailed to my cross

And crucified all that I've held on

To be awaiting

Anticipating a touch such as yours

False affection

A spawn of neglecting

A love, lust, hoax

Please understand me

That now where you're standing

Is closer then I'd hoped

Disappear and dissolve

A weakening wall

Will one day fall

It's wise to sever our loss

I redefine pulse

Through your iris

Your Iris

Your Iris

Disappear and dissolve  
A weakening wall  
Will one day fall  
It's wise to sever our loss  
I redefine pulse  
Through your iris

Disappear and dissolve  
A weakening wall  
Will one day fall  
It's wise to sever our loss  
I redefine pulse  
A new iris
