Busy drinking gin
In a bar at Biloxi
But I've only had four
Only had four

Benny and the Jets
And a waitress called Roxy
And she's all you want for
All you want for

Oh, cynical me
Come on, come on
Cynical me

She is a firecracker
Come on, come on
She is a firecracker
Come on come on
She is a firecracker
And I'm in love
I'm in love

Heard you bought a ring
Bet the diamonds go rusty
And its only got four
Only got four

Fifty seven kids
And all of them ugly
And I only want four
Only want four

Oh, cynical me
Come on, come on
Cynical me

He is a firecracker
Come on, come on
He is a firecracker
Come on, come on
He is a firecracker
And I'm in love

He is a firecracker
Come on, come on
He is a firecracker
Come on come on
He is a firecracker
And I'm in love, I'm in love

I'm in love completely
For one time only
I've searched
These green fields
All day long

I am in love completely
For one time only
And no one knows me
Like you do

Oh, cynical me
Come on, come on
Cynical me

He is a firecracker
Come on, come on
He is a firecracker
Come on, come on
He is a firecracker
And I'm in love

He is a firecracker
Come on, come on
He is a firecracker
Come on, come on
He is a firecracker
And I'm in love

He is a firecracker
Come on, come on
He is a firecracker
Come on, come on
He is a firecracker
And I'm in love, I'm in love
I'm in love
