I don't need you
It's just that I need something I can care about
To pick me up and wash me down and wear me out
If I want you It's just that I need something I can't do
without
To lift me up and let me down
And lay me out to gather me and give some affection

Romeo and Juliet, Marilyn Monroe
Anthony Cleopatra, Joe Di Maggio
You can say what you like
But I don't think it's so you
You go straight through my heart, little one

I don't want you
It's just that I need something I can't live without
To tear me up and break me down and bare me out
If I want you I recognize a need in me
I can't disguise a brittle thing
That kicks me like a broken knife
That gathers me and gives me a reflection

Romeo and Juliet, Marilyn Monroe
Anthony Cleopatra, Joe Di Maggio
You can say what you like
But I don't think it's so you go straight
To my heart little one

Romeo and Juliet, Marilyn Monroe
Anthony Cleopatra, Joe Di Maggio
Romeo me come see me I know what you are
Possession is ninety nine tenths of it all
I just need something I can really care about

I just need something I can really care about
I just need something I can really care about
I just need something I can really care about
