We're going with flow
Going with flow
Moving to the beat
Moving to the beat

I just wanna feel
I just wanna feel

Feel your body heat
Feel your body heat.
I know we will make it
We're the stars tonight
The stars tonight
Only the sky is the limit
And it feels so right

We're on to of
the world
Oh baby
We are dancing on
the edge of love
On top of the world
Oh baby
We are shining like
the stars above
Ohoo

Only you and I
We're the ones tonight
And we're flying high
On top of the world
Oh baby
We are dancing on top
Dancing on top of
the world.

Take me for a ride
Take me for a ride
Ready to take off
Ready to take off

Let me come inside
Let your heart decide
I can't get enough
I can't get enough.
Only the sky is the limit
We're the stars tonight.

Ref:
We're on to of
