I always knew that you're gonna leave me here  
but i don't blame you and not a single tear  
I'm just an asshole, uproar is finding it's place  
I'm just a loser with a lot of disgrace  
but there is

Something I can't figure out  
spinning head I'm going down  
guilt is crawling up inside  
but like it or not I am

Sorry babe for all the tears you cried  
I'm sorry babe I always let you down  
I'm Sorry babe for all the tears you cried  
I'm sorry babe I always let you down

I wish you heard me, I wish you'd see me now  
I can't believe it, you didn't say goodbye  
I feel ashamed, well I'm feeling agony  
I'm gonna blow up 'cause you left me here  
but there is

Something I can't figure out  
spinning head I'm going down  
guilt is crawling up inside  
but like it or not I am

Sorry babe for all the tears you cried  
I'm sorry babe I always let you down  
I'm Sorry babe for all the tears you cried  
I'm sorry babe I always let you down

Sorry babe for all the tears you cried  
I'm sorry babe I always let you down  
I'm Sorry babe for all the tears you cried  
I'm sorry babe I always let you down
