

## The Sleeping "Listen Close"

Aching, she's feeling so confused, confused  
She can't breathe or believe she's useless  
Right off the edge she'll walk  
Just listen close you'll hear her screaming

Take me, take me  
Who's gonna miss me when I'm gone?  
Our hardest times hold on

Alone, he knows she's so confused, confused  
He just wants to believe she needs him  
It cuts deep, you'll never know, know, no way out  
Just listen close you'll hear him screaming

Take me, take me  
Who's gonna miss me when I'm gone?  
Our hardest times hold on

Take me, take me  
Who's gonna miss me when I'm gone?  
Our hardest times hold on

Sometimes we're so young  
Sometimes we're so young  
Our hardest times hold on  
Keep holding on

Take me, take me  
Who's gonna miss me when I'm gone?  
Our hardest times hold on

Take me, take me  
Who's gonna miss me when I'm gone?  
Our hardest times hold on

Take me, take me  
Who's gonna miss me when I'm gone?  
Our hardest times hold on
