Waiting for someone to save me, denied
I've been waiting for nothing
Waiting for someone to save me, denied
I've been waiting for nothing

Waiting for someone to save me, denied
I've been waiting for nothing
Movement has stopped us all

All alone, all alone
Movement has stopped us now
All alone, tortured, denied

Marching in time I hear them call
(How could you?)
Exploding words penetrating walls
(How could you?)

I'd rather burn in hell alone
(How could you?)
I'd rather feel tortured alone
Someone save me

Waiting for someone to save me, denied
I've been waiting for nothing
Waiting for someone to save me, denied
I've been waiting for nothing

Waiting for someone to save me, denied
I've been waiting for nothing
Movement has stopped us all

All alone, all alone
Movement has stopped us now
All alone, tortured, denied

Marching in time I hear them call
(How could you?)
Exploding words penetrating walls
(How could you?)

I'd rather burn in hell alone

(How could you?)
I'd rather feel tortured alone
Answer me

Why, why won't the noises give in?
Will I stay alive?
I can't keep hearing these negative sides
Will I stay alive, stay alive, stay alive, stay alive?
Will I stay alive, stay alive, stay alive?

Waiting for someone to save me, denied
I've been waiting for nothing
Waiting, I've been waiting, I've been waiting
I've been waiting for nothing
