My burden so heavy,
My guilt so deep,
I felt like I had no control,
But then Jesus came and gave me such peace,
My debt is now paid in full.

(Chorus)
Paid in full,
Paid in full,
My debt on the cross Jesus paid in full,
Paid in full,
Paid in full,
My debt is now paid in full.

My heart now is singing,
My joy so complete,
My Father has filled up my soul,
When trouble comes I know He'll be with me,
My debt is now paid in full.

(Chorus)

I have no doubt
As to my dearest friend,
He answers whenever I call,
For I know that Jesus will win in the end,
My debt is now paid in full.

(Chorus)
