Making my way down town
Walking fast
Faces pass
And I'm home bound

Staring blankly ahead
Just making my way
Making a way
Through the crowd
And I need you
And I miss you
And now I wonder
If I could fall
Into the sky
Do you think time
Would pass me by
Cause you know I'd walk a thousand miles
If I could just see you... tonight

It's always times like these
When I think of you
And I wonder
If you ever think of me

Cause everything's so wrong
And I don't belong
Living in
Your precious memory

Cause I need you
And I miss you
And now I wonder
If I could fall
Into the sky
Do you think time
Would pass me by, oh
Cause you know I'd walk a thousand miles
If I could just see you... tonight

And I, I don't wanna let you know
I, I drown in your memory

I, I don't wanna let this go
I, I've fallen...

Making my way down town
Waking fast
Faces pass
And I'm home bound

Staring blankly ahead
Making my way
Making a way
Through the crowd

And I still need you
And I still miss you
And now I wonder
If I could fall into the sky
Do you think time, would pass us by
Cause you know I'd walk a thousand miles
If I could just see you...

If I could fall into the sky
Do you think time would pass me by
Cause you know I'd walk a thousand miles
If I could just see you...
If I could just hold you... tonight
