I wish that I held your words more dearly
Like they were the last words
That I would ever hear.

I wish to be
Lost in your arms.

I'm wishing I could be forever in your arms
Forever and a day
I'm wishing I could be lost in your arms...
Always.

These are the memories that will not escape me.
Oh, and your smile is worth a million charming words.

I wish to be
Lost in your arms.

I'm wishing I could be forever in your arms
Forever and a day
I'm wishing I could be lost in your arms...
Always.

These are the memories that will not escape me.
Oh, and your smile is worth a million charming words.

The pictures I never took
Of the happiest times of my life
Are just worn-out thoughts in time.

Time will not escape us now.
