I've Seen
I am
The king is dead, long live the King
I see the throne, the pure throne, real before me And
the door stands open, and the train of his robe
I've never seen one like it, fills my view, filling my view
of you
Oh My God
Above me seraphs wait present, six wings and eyes,
covered in praise, they gaze upon you, they scream
Holy Holy!
At the sound of their voice, the earth will shake, the
foundations tremble, and I fall prostrate before true
majesty
Majesty
Woe is Me
Woe is Me I am ruined, I am ruined Oh my God you've
ruined everything for me
Cause I've seen
My eyes have gazed upon the king, I've seen the
almighty one
And I'm ruined again, and I cry out Woe is Me
Then one flew to me with a live coal in his hand, and it
scorched to the touch, it burns and purifies
I cry out!
I'm just a man of unclean lips, if you heard my speech
you'd be ashamed of me
I am a man who is unclean, and my people are not
clean
Then he cried out to me saying this has touched you
now, your guilt your shame atoned for, don't be
ashamed of me
So I wait on you now, I hear a voice too holy to
recognize, and too holy to disregard
I hear him cry out, who shall I send?
Whom shall I send? Who will go for me in this
generation, whom shall I send out?
And there's a pain in my heart cause there's no one, it's
like there's no one who's seen
But I am ready because I've seen, I'm ready, I've seen
Here Am I Lord, Please Send Me.
