Oh, God, when I ask you  
"Why do you love me?"  
I will try to understand  
The silence that whispers reason.

I can never comprehend  
Your love.

Like Autumn,  
Sorrows change  
And hush the sea to sleep.  
Then I cry...

Because I am weaker than anyone.  
I am weaker.  
I fall.

I can never comprehend  
Your love.

Like Autumn,  
Sorrows change  
And hush the sea to sleep.  
Then I cry...

Because I am weaker than anyone.  
I am weaker.  
I fall.

I'm so cold without you.  
Words cannot explain.  
Words cannot explain.

I'm so cold without you.
