A just opinion
I have decided to lay down my feels with the ()
We like the future
Change is coming
What you gonna do

Do you remember
We were young and sober
Dirty pavements were the happiest soul
Kiss face cover hurting one another
What we gonna do

Every time we fight
We get a little stronger
Any time we lose
We gonna lose control

Every time we fight
We get a little stronger
Any time we lose
We gonna lose control

()
Change is coming
Is how you left me feeling
What you gonna do about it

Every time we fight
We get a little stronger
Any time we lose
We gonna lose control

Every time we fight
We get a little stronger
Any time we lose
We gonna lose control

What you gonna do about it
What you gonna do about it
What you gonna do about it
What you gonna do about it

What you gonna do about it

Every time we fight
We get a little stronger
