I'm standing on the bridge
I'm waiting in the dark
I thought that you'd be here by now

There's nothing but the rain
No footsteps on the ground
I'm listening, but there's no sound

Isn't anyone trying to find me?
Won't somebody come take me home
It's a damn cold night
Trying to figure out this life
Won't you, take me by the hand, take me somewhere
new
I don't know who you are but I, I'm with you
I'm with you

I'm looking for a place
I'm searching for a face
Is anybody here I know
Cause nothing's going right and
Everythings a mess
And no one likes to be alone

Isn't anyone trying to find me?
Won't somebody come take me home
It's a damn cold night
Trying to figure out this life
Won't you, take me by the hand, take me somewhere
new
I don't know who you are but I, I'm with you
I'm with you

Oh, why is everything so confusing
Maybe I'm just out of my mind
Yeah Yeah Yeah
Yeah Yeah
Yeah Yeah
Yeah Yeah
Yeah

It's a damn cold night
Trying to figure out this life
Won't you, take me by the hand, take me somewhere
new
I don't know who you are but I, I'm with you
I'm with you

Take me by the hand, take me somewhere new
I don't know who you are but I, I'm with you

I'm with you

Take me by the hand, take me somewhere new
I don't know who you are but I, I'm with you

I'm with you
I'm with you
