Do I make you feel obliged?  
Afraid or justified?  
I felt pain a thousand times  
How do you sleep at night?  
Provoking me to fall like trash  
Defying every part I am  
Abusing me is all you can  
I'll never be you

I'm complicated  
I'm not like you  
You can not force me into your shoes  
You try to act so perfect  
But I see the truth in your eyes  
Why are you here to bleed me dry?

The image in the mirror cries  
Imagining another life  
Pretending that you all pulled back  
You need to back of now  
Live my life for just one day  
Attend the mess you've made

I'm complicated....  
Can you feel the rhythm?  
Making you unconscious  
So afraid of failure  
Nothing ever makes you feel safe

I'm complicated  
(I'm not like you)  
You can not force me  
Can not force me  
I'm complicated  
I'm not like you

You can not force me into your shoes  
You try to act so perfect  
But I see the truth in your eyes  
Why are you here to bleed me dry?  
Why are you here to bleed me dry?!
