You're asking for reasons, don't understand  
My choice my decisions, why do I rush to decide?  
You can't revive a heart that's died and turned to stone  
Make it undone  
I wish I could tell you that I'll be alright

Forgive me for leaving, not to be found  
I'll watch from a distance, you'll never know I'm around  
I wish I could spare you from hurting inside

Seconds turn to minutes turn to hours turn too late  
Got to figure out the riddle, give it one more day

Don't blame me forever  
The choice ins my own  
Don't hate me, tomorrow  
When I'm gone  
Here it comes  
My resurrection

Would you recognize me if I returned here?  
Been gone for a decade, frozen in time it appears  
You'll carry the memories I'll carry your pain

Seconds turn to minutes turn to hours turn too late  
Got to figure out the riddle, give it one more day

Don't blame me forever  
The choice ins my own  
Don't hate me, tomorrow  
When I'm gone  
Here it comes  
My resurrection

I am ready now for the first time in my life  
Got a second chance but the time is running out  
Don't cry  
I'm fine  
There's so many things left undone

Don't blame me forever

The choice ins my own  
Don't hate me, tomorrow  
When I'm gone  
Here it comes  
My resurrection

You're asking for reasons don't understand  
Resurrection  
Resurrection  
Resurrection  
My resurrection
