Yea, What's happenin'? Bone Thugs~n~Harmony
Fat Joe, Terror Squad, Mo' Thugs,
the Good Times nigga, we on top of the world

Chorus (2x):

Good times, good times [we can have a good time..
we havin' a big celebration]

We could take some stress off our chest

Yo, Check my philosophy - Happiness ain't all about
monopoly
I put aside the guns & robberies, see good guys
copyin' me
The good times is here, rainy days is clear
You wanna go where everybody knows your name like
"Cheers"
Where problems is all the same and we got stories to
share
Where you don't have to look for joy in a bottle of beer
See what I'm sayin? Stop feelin' sorry for yourself
Besides, those shots of Jack Heed's bad for your health
Understand tough people last, tough times don't
Some get up off they ass, and nigga, some just won't
Take the bad with the good, cuz the good ain't far
This is the stuff dreams are made of - shoot for the
stars
The good times

Chorus (2x):

Good times, good times
[we can have a good time..we havin' a big celebration]

We could take some stress off our chest

Big Celebration, we havin' a big celebration
we havin' a big celebration
Celebration [bration], celebration,
big celebration, we havin a celebration
