it's gonna be me
on NSA album
Max MartinRamiAndreas Carlsson

Lance: It's gonna--be--3
Justin: Oooh, yeah

Justin:
You will be hurt, now
That ain't no lie
your life will come and go, oh..
I remember you told me
that you thought i was gay
Now man, you cry
and that is why

Every little thing you do
just makes me more mad at you
i'm gonna lose it again
and your not gonna like it
when you finnaly
get to fight somebody
Guess what,
your gonna me

JC:
You've got no choice, now
But fight on, and you know
There is no where to run
You're just too week (too week),you'll see
at the end, the winner will be me
You'll have a black eye
just use some ice cuz

Every little thing you do
just makes me more mad at you
i'm gonna lose it again
and your not gonna like it
when you finnaly
get to fight somebody

Guess what,
your gonna me

Lance: your gonna fight me
Justin: Oh yeahhhhh...

Justin:
this is my day
i am the one, you see..
your gonna-gonna-gonna-gonna-gonna

Justin: your gonna fight me

All that you do
makes me mad at you
i'm gonna lose it
and you won't like it
When finally (finally)
You get to fight somebody
Guess what (guess what)

Every little thing you do
just makes me more mad at you
i'm gonna lose it again
and your not gonna like it
when you finnaly
get to fight somebody
Guess what,
your gonna fig
