You're so cold that you don't even know it
Your love is so cold, you're frozen in love, yeah
Your house has got one foot in the graveyard
You're dead alone, you're dead alone

You're so cold that you won't even know it
Your love is so cold you're frozen in love, yeah
Your family's got one foot in the graveyard
You're dead alone, you're dead alone

You're so cold that you won't even know it
Your love is so cold you're frozen in love, yeah
Your family's got one foot in the graveyard
You're dead alone, you're dead alone

These roads, they sing like bats I know
Their eyes are tightly sewn, like some priests I know
Oh yeah

The wildcat regime is always back in scene
I know I was only seventeen
Lost an eye, was caught in the graveyard
You're dead alone

What you want
Is this what you want?
Oh yeah

Is this what you want?
Is this what you want?
Oh, come on

Is it what you want?
Is it what you want?
Is it what you
What you want?
