Here we are  
Two of us together,  
Takin' this crazy chance  
To be all alone.  
We both know  
That we should not be together,  
Cause if we're found out  
It could mess up both our happy homes.

I hate to think about us so in love together  
As soon as I look at you it will show on my face,yeah  
And then they'll know that we've been loving each other  
We can never know,no,no,no  
We cant leave a trace.

Ooh,sittin' at home,I do nohin' all day  
But I think about you and hope that you're okay,  
Hopin' you'll call before anyone gets home  
I'll wait anxiously long by the phone

How could something so wrong be so right?  
I hope we didnt have to keep our love out o' sight,yeah,  
Living two lives just aint easy at all  
But we gotta hang,hang in there for a fall.

CHORUS:  
Secret lovers,yeah  
That's what we are  
Tryin' hard so hard to hide the way we feel,  
Cause we both belong to someone else But we can't let  
it go,  
Cause what we feel is oh so real.  
(so real,so real).

BRIDGE:  
You and me are we fair?  
Is this true or do we care?  
Can they tell what's in our minds?  
Maybe they've had secret loves  
All the time.

In the middle of making love we notice the time  
We both get nervous cause it's way after nine  
Even though we hate it we know it's time that we go  
We gotta be careful so that no one will know.

CHORUS:

Secret lovers, yeah  
That's what we are  
We shouldn't be together but we can't let it go  
Cause what we feel is oh so real  
(so real, so real, so real, so real)
