Love  
love for me  
is love  
love for me

I call your name,  
i keep on looking for you,  
and i don't know,  
don't know where go where,

can set over night,  
i keep so over me  
there is no way,  
the way to stop me falling,

Believe in me,  
I can set you free a night,  
you never Elisir enough,

Oh, no,  
Something's thinking over me!

Your love,  
your love,  
your love is on my mind

Your love,  
your love,  
your love is on my mind your love is for me.
