[Eminem]

I'm the devil - if ever there was such a thing
The results of much too many drugs what you're
seeing
I'm a mindfuck, completely dis-(gus)-ting
I'm (white), a human mutt, fuck a being
I'm a dog - fuck lambs, I'm silencin 'em all
I'm involved in murders forensic science couldn't solve
Giant set of balls too big to buy a set of drawers
Might as well unzip my fly and let 'em fall to the floor
Each thought's completely warped
I'm like a walkin, talkin, ouija board
Speakin in tongues, I've never spoke this speech
before
.. Hhem-delle-la, ennich-me-noughh-mi-niche-mick-norr
..
Have you ever experienced spirits in lyrics when you
hear 'em
'til you scared to stare in into any mirrors when you
near 'em?
Well if so, get ready for some shit yo
"Is this some kind of sick joke?" Shit no, motherfuckin
schitzo
So disturbed, he just goes so berzerk he tiptoes
This verse was his urge to slit throats of just hoes
Just goes to shizzow you dizzon't, fizzauck with
so-someone this disturbed, sa-sippin on si-zzurp
So - lock your doors, drop to the floors
Get your shotguns drawn - here comes another
"Clockwork Orange"
Look at Bizarre; you really think he's right in his mind?
What the fuck you think's goin through it when he's
writin his rhyme?

[Chorus: Eminem]

You bout to - journey into the mind of a psychopath
killer
Blood spiller, mentality much iller
than you could ever imagine in your wildest dreams
You'll feel his pain and his silent screams
You bout to - journey into the mind of a psychopath

killer
Blood spiller, mentality much iller
than you could ever imagine in your wildest dreams
You'll feel his pain and his violent screams
