[Eminem]

I'm the devil

If ever there was such a thing

The results of much too many drugs

What you're seeing

I'm a mind fucked

Completely disgusting

I'm a human mutt

Fuck a being I'm a dog

Fuck lambs

I'm silencing them all

I'm involved in murders

Forensic science couldn't solve

Giants are the balls

Too big to buy a set of drawers

Might as well unzip my fly and let 'em fall

To the floor

Each thought's completely warped

I'm like a walking...talking...Ouija Board

Speaking in tongues

I've never spoke this speech before

Khem dellelleh

Enemehc noomph meekh neesh meekh nohr

Have you ever experienced spirits and lyrics

When you hear 'em you scared

To stare into any mirrors when you near 'em

Well if so

Get ready for some shit yo

This some kinda sick joke?

Shit no

Motherfucking schizo

So disturbed you just go so berserk

You tip toes fist first with scissors

To slit throats that just ??

It just goes to shizow

You dizon't fizuck with

Someone this disturbed

Sipping on syzerup

So lock your doors

Drop to the floor

Get your shotguns drawn

Here comes another Clockwork Orange
Look at Bizarre
Do you really think he's right in his mind?
What the fuck you think's going through it
When he's writing his rhyme?

[Chorus x2]
You bout to
Journey into the mind of a psychopath killer
Blood spiller
Mentality much iller
Than you could ever imagine
In your wildest dreams
You feel his pain in his silent screams
