Clearly I see,
You keep holding me along the way.
I'm so lost god.
Have mercy on me.

You keep holding me along the way.

I know who your are,
But I keep running from you.
Whatever I do you keep trying to pull me to the other
side.
I'll try to hold on tighter this time.

Hold on tighter don't let go of me.

Don't let go of me.

I know who your are,
But I keep running from you.
Whatever I do you keep trying to pull me to the other
side.
I'll try to hold on tighter this time.

All you ever wanted was me in your arms.
But I kept pushing you away.
And I know your waiting for me.
You keep waiting and I'll keep changing,
I'll keep changing.

This is my time to see,
That your everything for me.

Cause I know who you are (I know who you are)
I know who you are (I know who you are)
